

## **LS150 & LS190 Kindling Splitters**

### **WARNING - Laceration and Crushing Hazard**

- Safety gloves & goggles must be worn when using this tool
- Ensure the splitter is on solid, level ground when splitting
- Only split one piece of wood at a time
- Do not split overly wide or tall wood or the splitter will become unstable
- Keep hands above the safety ring at all times
- If necessary, hold on to the side of the wood for stability
- Do not hold onto the splitter or top of the wood when splitting
- Always wear the proper personal protective equipment including eye protection
- Do not allow children to play with or around the splitter
- Store indoors out of the reach of children when not in use
- Do not hit the ring with hammer or wood

### **Easy to use:**

1. Place wood on top of blade
2. Steady with one hand
3. Strike top of wood with mallet / hammer
